

All RowAmerica Greenwich junior athletes are expected to consistently demonstrate the highest levels of conduct, sportsmanship and behavior while representing the club. Parents and athletes are required to sign the Code of Conduct form each year.

As a member of the RowAmerica Greenwich junior program an athlete recognizes that he/she is a representative of RowAmerica Greenwich at the boathouse, at regattas, and in their community. As a result the athlete is expected to be a role model at all times and to take responsibility for his/her actions.

- The use of alcohol, tobacco and illegal substances is prohibited at all times during the season. Use of such substances on club grounds or while representing RowAmerica Greenwich at a regatta will result in immediate dismissal.
- Inappropriate behavior (such illegal acts, unsportsmanlike-like conduct, theft, fighting, and vandalism) is prohibited. Illegal acts while on club grounds or while representing RowAmerica Greenwich at a regatta will result in immediate dismissal.
- Athletes will at all times act with good sportsmanship towards both teammates and competitors as well as act responsibly and respectfully towards other club members, the boathouse and the equipment.

Athletes who violate the Code of Conduct will incur the following consequences:

First Offense:

The first violation will be a warning. Any RowAmerica Greenwich coach or any staff member can issue warnings. Staff members issuing warnings must inform the head coach. A meeting with the athlete and their parents will be requested by the head coach.

Second Offense:

The second violation will result in an immediate dismissal from the program, without refund. If a coach or staff member judges that a violation is sufficiently dangerous or improper, they can dismiss an athlete from the program without a first warning and without refund.
